ALILA CAVA

1.000 per bottle

Alila Cava has been created with an exclusive blend of three native white grape varieties – Xarel.lo, Macabeo and Parellada – that have been handpicked specially from Josep Masachs' best vineyards. The cava is processed using the traditional method of fermenting every bottle individually, similar to champagne, and is then aged in the cellar for 15 months. This results in very fine bubbles and complex aromas of premium quality.

All-inclusive beverage packages including wine, sparkling wine, champagne and artisinally crafted cocktail.
