S P A ALILA

Spa Alila at Alila Villas Uluwatu offers guests unique and customised spa experiences in a relaxed and contemporary environment. Varieties of indulgent and rejuvenating spa treatments are combined with personal consultations given by friendly and intuitive therapists. Spa Alila fervently believes in using only natural products for spa therapies and all products are handmade using pure, natural ingredients. In addition, the spa offers a range of exercise, yoga and meditation classes for guests who seek to invigorate their senses, along with a variety of health foods and self-care recommendations to maintain a balanced sense of well-being. The charming interiors and warm ambient lighting of Spa Alila, together with soothing scents of essential oils, offer guests a comforting prelude to their treatments.

The extensive and exclusive spa treatment menu combines both Asian and Western therapy techniques and showcases Spa Alila's special selection of natural active ingredients. Guests are able to choose from a wide range of therapeutic massages. These include deep tissue, relaxing, nurturing and a special pregnancy massage for expectant mothers. Aside from customisable spa treatments, his/her facials, body scrubs, hair treatments, manicure and pedicure offerings, Spa Alila at Alila Villas Uluwatu also takes pride in its nurturing techniques passed down for generations but rarely practised in today's spa treatments. These nurturing movements, locally known as "Sayang Sayang", calm not just the body but also the mind and spirit. Guests are also invited to build their own spa package with a variety of interchangeable product elements and treatment enhancements.

S P A **ALILA**

Each spa villa comes with its own private entrance with a herbal steam shower and a bath-tub, his and her grooming stations, two adjustable treatment beds with individually controlled sound system, and a daybed for relaxing or having foot baths, pedicure and manicure treatments. Guests who prefer more privacy can choose to enjoy spa treatments in their villa or by their private lap pool under the star-studded night sky.

Guests looking to take home a piece of their spa experience can purchase from Spa Alila's extensive range of skin care products. Available at the merchandise section at the spa reception, these products are made from all-natural and locally sourced ingredients.

Dear Guests,

Your safety and comfort is our utmost priority while maintaining strict health, hygiene and sanitation procedures. We would like to inform you that all of our tools, equipment and treatment rooms are being thoroughly cleaned and sanitized after each treatment. Whenever possible, disposable items are utilized such as face masks, face cradle covers, massage panties and nail files. Throughout your treatment, our therapists will wear a face mask and strict hand sanitation protocols are in place. Please be encouraged to reach out to our Spa Host to address any concerns you may have.

BABOR – FACIAL

Working close with Dr. Michael A. Konig, a leading authority in plastic surgery, BABOR developed treatments based on BABOR's longstanding knowledge and experience. Using unique cleansing and invigorating power of oil and water (HY-OL) and natural plant sesame oil, shea butter, jojoba oil, our professional skin analysis will show you which treatment and skin care products suit you best.

ULTIMATE FACE LIFTING

“The synergy of medicine and Nature”

With 99 % of collagen obtained from natural freeze-dried collagen fibers that imitate the skin's collagen structure, supplies intensive moisture and promotes collagen synthesis in the skin. This treatment can reduce wrinkles, improve declining skin tone, and prevent the promotion of lines and premature aging.

90 min | 2,850

VITA BALANCE

“Thoroughly moisturize dry skin, sense the unique harmony”

Dry skin that is lacking in moisture has lost its suppleness and reveals dryness lines and flakes easily. This vita balance treatment uses deep moist complex for the care of dry skin. This moisturizing treatment regulates the skin's lipid and moisture balance, restores elasticity and suppleness, leaving the complexion looking soft and well cared for.

75 min | 2,050

CALMING SENSITIVE

“Care for sensitive skin, sense the unique harmony”

Skin can be sensitive to nature. Our modern way of life increasingly exposes our skin to aggressive environmental influences that weaken the skin's natural protective mantle. It responds by sending our SOS signals, such as redness and tingling. The skin feels taut and itchy, and its moisture levels fall. This permanent lack of harmony can also accelerate the process of skin aging. Calming sensitive relaxes and calms skin instantly. Irritations, redness, tingling and tightness subside. The combination of pure plant extracts and oils that regulate the skin's moisture levels, increase suppleness and protect against environmental damage.

MICRODERMABRASION

Microdermabrasion is used to give your skin a healthy glow or to target more specific requirements such as reducing fine lines, wrinkles, scarring, sun damage and acne. Post treatment your skin continues to improve due to increased collagen & elastin production. Unlike many skin rejuvenation treatments, microdermabrasion is non-invasive, so requires zero recovery time.

MICRODERMABRASION & COLLAGEN FACIAL

Experience the combination benefits of microdermabrasion and collagen. Designed to stimulate the production of collagen and elastin for skin that appears more vibrant, toned and clear. After the microdermabrasion, a collagen mask is applied to deeply rejuvenate skin cells, hydrate and reduce wrinkles. The perfect pick-me-up that leaves skin instantly hydrated and younger looking.

60 min | 1,850

BACK MICRODERMABRASION

Improve the smoothness and texture of dry, rough skin with this cleansing and refining microdermabrasion treatment. A cold white clay mask is applied and left to nourish the new skin cells while your feet receive a 15-minute massage treat.

HAIR AND SCALP

BALINESE TRADITIONAL CREAMBATH

A mind-melting, intensely hydrating crème hair bath with essential oils of rosemary and lavender combined with nourishing base oils of coconut, avocado and shea butter. A clay-based mask is massaged into the hair and scalp and left to condition, strengthen and hydrate while pressure point massage and palm strokes soothe the neck and shoulders. A 10-minute warm wrap is applied to open the pores followed by a cool wash with our signature shampoo and conditioner – the finishing touch for a renewed healthy sheen.

60 min | 1,400

HAIR STIMULATION MASSAGE

An invigorating and highly nourishing hair and scalp treatment that powerfully stimulates hair growth through a combination of massage techniques and beneficial plant extracts. Essential virgin coconut oil stimulates the follicles while an oxygenating massage technique is gently applied to enhance cell stimulation. This endurance-based treatment is especially nourishing for dry or damaged hair.

FOUR HAND MASSAGE

A unique four-hand massage that brings a wonderful sense of harmony and balance to the body and soul. Surrender to the sublime symphony of healing and pleasure created by two masseuses working together in unison, using Balinese long stroke techniques and incorporating acupressure points on the feet to improve lymphatic drainage and circulation. A Swedish style of deep tissue massage also works into muscles to relieve tension and stiffness.

90 min | 3,000

REFLEXOLOGY

Reflexology is based on the principle that energy flows freely around the body when we are in good health and that there are reflex areas on the feet that correspond to every part of the body, including major organs. Sit back and relax as your therapist applies varying degrees of pressure to specific points on the feet with thumb and fingers to unblock energy flow and promote the body's natural healing from within.

60 min | 1,450

PREGNANCY MASSAGE

Enjoy relief from the physical and emotional demands of pregnancy. This gentle, non-invasive approach to massage will ease your discomfort, reduce swelling and help lower stress. Feel yourself slip into a state of calm relaxation as our skilled therapist uses a lighter touch, concentrating on those areas most vulnerable to changes in your body.

60 min | 1,620

HERBAL COMPRESS

Inspired by Thai healing traditions, our warm compress, containing a parcel of 14 medicated herbal ingredients, is applied to the whole body using an acupressure technique. The herbs help to increase one's energy and improve the immune system and lung function, while acupressure stimulates blood circulation and releases muscle tension. Gentle stretching and a soak in a delightful herbal bath help to ease any lingering aches and stiffness.

SHIRODHARA

This 5000-year-old Indian therapy is physically rejuvenating, mentally refreshing, and just pure heaven. Experience perfect calmness and tranquillity as a stream of specially blended, warmed medicated oils pours softly onto the third eye transporting your mind and body into a state of deep relaxation. Shirodhara deeply relaxes the nervous system, lowers metabolism, integrates brain function and induces mood stability. This dreamy treatment begins with an Ayurvedic pressure massage to melt away tension and stress.

90 min | 2,500

WARM STONE

The therapeutic power of touch combines with the energy of the earth in this muscle relaxing massage. After our signature foot bath, smooth, heated river stones are used in rhythmic flowing strokes over the body to melt tension and soothe emotions. The stones are also placed on various energy points to stimulate the body's natural healing potential.

PRIVATE SESSIONS

Private yoga and Pilates classes can be conducted at a venue of choice.

HATHA YOGA

Involves a set of low impact exercises known as "asanas" to stretch the muscles while practising deep breathing techniques for meditation and relaxation. Regular practice of asanas helps to tone and strengthen the muscles while also helping to reduce stress and anxiety, improve self-confidence and encourage relaxation.

60 min | 850

ASHTANGA

This physically strenuous form of yoga dates back at least 5,000 years and is also known as "power" yoga. Ashtanga yoga progresses through six rapidly executed series of pose sequences providing a useful means of achieving weight loss and performing strength training without using weights. This yoga discipline also works to restore the full range of motion to an individual's joints and muscles.

60min | 850

VINYASA

Vinyasa is a flowing style of yoga that links the breath with movement focusing on inhaling and exhaling as you move from one pose to the next. Vinyasa yoga flows between positions without stopping so is an effective way to improve your endurance, burn calories and sculpt your muscles. Vinyasa yoga works on physical, mental, emotional and spiritual levels to connect the mind with the body as well as improve flexibility and strength.

60 min | 850

MAT PILATES

Mat-based Pilates is a series of exercises performed on the floor using gravity and your own body weight to provide resistance. The main aim is to condition the deeper, supporting muscles of your body to improve posture, balance and coordination. Pilates lengthens and stretches all the major muscle groups in your body in a balanced fashion. Each exercise has a prescribed placement, rhythm and breathing pattern.

Our Pilates method is taught to suit each person and exercises are regularly re-evaluated to ensure they are appropriate for that person. Due to the individual attention, this method can suit everybody from elite athletes to people with limited mobility and low fitness levels.

60 min | 850

MEDITATION

Meditation is one of the core spiritual practices aimed at enabling the soul to reach a state of complete freedom. The spiritual essence is not something that we create through meditation; it is already there deep within us simply waiting to be embraced. Our guided meditation practice flows with rhythmic breathing and chakra balancing, which tap into our energy centres. Meditation can also be practised to balance serotonin and melatonin levels in cases of jet lag and insomnia. Begin gaining optimal health and clarity while promoting healing and balance of energy on all levels.

AERIAL YOGA

Experience the gravity-defying freedom of aerial yoga at the resort's iconic Sunset Cabana, floating above the cliff edge. Aerial yoga, also known as 'anti-gravity yoga', is a relatively new form of yoga that involve performing a series of exercises inspired by yoga, Pilates, calisthenics and aerial acrobatics while hanging from a fabric hammock suspended about a meter above the ground. Among the many benefits of aerial yoga is decompression of the spine as the body hangs freely, relieving tension and promoting proper posture and alignment through relaxation rather than effort. During the aerial workout, almost every part of the body is forced to move and stretch, toning strengthening and rehabilitating all the muscles and joints in the process.

60 min | 925

SUP- STAND UP PADDLEBOARD YOGA

Stand Up Paddleboard yoga is practiced on 10 to 12-foot-long boards in the resort's serene infinity pool, bringing joyful sense of freedom to the traditional earthbound yoga practice. Uluwatu is a top spot for surfers, and the ancient practice of yoga has grown deep roots in the surfing community due its ability to both focus the mind and strengthen the body. In particular, Stand Up Paddleboard Yoga is great for toning core muscles and building stability, essential for peak surf performance. But whether you surf or not, balancing the water, with a panoramic ocean view before you, is fun and energizing

JOURNEY TO YOU (HALF DAY)

Indulge in three hours of holistic heaven with a combination of detoxifying and relaxing therapies. Following our signature footbath, heated river stones are used over the body in rhythmic flowing strokes to relieve tension and soothe emotions. They are also placed on various energy points to awaken the body's natural healing potential, leaving you calm and balanced.

Next, enjoy exfoliation and a body wrap of cocoa, coffee and coconut.

The caffeine in the coffee is a heavy-duty detoxifier drawing out impurities and improving skin tone, while the coconut meat helps to deeply condition your skin. Treatment concludes with a herbal infused steam where a mist of blended medicated oils opens your lungs and pores to assist in detoxification.

Then be pampered with an Alila facial featuring red clay that draws out impurities while releasing essential minerals. A combination of pressure point and lymphatic drainage massage techniques is applied leaving your skin glowing with renewed freshness and vitality.

Spoil yourself with the perfect half-day journey of physical rejuvenation, age-old beauty therapies and healthy living. Improve your balance, elevate your spirits and satisfy your palate with holistic nurturing and nutrition.

Half Day Journey | 4,800 per person

JOURNEY TO YOU (FULL DAY)

Begin the morning watching a breathtaking Bali sunrise from an Oceanfront Cabana with fresh ginger and lemon tea served alongside exotic local fruits. Take in this spectacular view as you breathe, stretch and balance at the edge of the earth. Our experienced fitness instructors will take you through private yoga sequences featuring fluent and deliberate movements to open your mind, loosen limbs and rejuvenate your soul.

After this uplifting start to the day, savour your favourite healthy cravings as our Executive Chef prepares a nutritious designer breakfast served in a location of your choice – in the privacy of your villa, at Cire or in one of our Ocean View Cabanas soothed by the morning breeze. Succumb to a relaxing Balinese healing therapy that combines gentle stretching, long therapeutic strokes and skin rolling designed to relieve muscle pain. Palm and thumb pressure techniques are applied to alleviate the deepest stress and tension and improve blood flow. While immersed in holistic heaven, our therapists will cover your body with a rich cocoa, coffee and coconut toning treatment. Locally grown coffee grounds are a gentle, natural exfoliate. The caffeine in the coffee is a heavy-duty detoxifier drawing out impurities and improving skin tone, while the coconut helps to deeply condition your skin. A conditioning wrap of cocoa and coconut is applied and left to hydrate as the therapist gently massages your scalp. The treatment concludes with a relaxing bath.

After a light and healthy three-course lunch personally crafted by our executive chef and enjoyed in your choice of dining location, your journey to relaxation continues. Lie back and relax with a mind-melting crème hair bath featuring essential oils of rosemary and lavender combined with nourishing base oils of coconut, avocado and shea butter. This deeply hydrating clay-based mask is massaged into the hair and scalp and left to condition, strengthen and hydrate while pressure point massage and palm strokes soothe the neck and shoulders. A 10-minute warm wrap is applied to open the pores followed by a cool wash with our signature shampoo and conditioner. A spa manicure follows, which includes a stimulating hand scrub, soothing hand bath, relaxing hand massage and essential nail maintenance and grooming. Combinations of sea salt and lavender gently exfoliate, while shea butter and aloe nourish your skin. Essential oils of orange peel and lemon are infused, which act as a natural antiseptic to protect the cuticle.

As sunset approaches, leave the spa feeling magnificent and absorb the earth's energy with a private meditation session. After an hour of free time, be spoilt with a dinner prepared by our executive chef. Then retire to the privacy of your villa where our therapists welcome you for a memorable massage under the stars, applying pressure to specific points on your feet to release blocked energy and promote natural healing. A cup of chamomile tea is left at your bedside for a soothing end to your day of wellness.
