## SOMETHING TO CONSIDER...

### INCLEMENT WEATHER PLAN

Weather in Bali is generally dry from April to October and wet from November to March. However, it does rain occasionally in the dry season and there can be many dry days in the wet season too. The wet season back-up plan is compulsory. The options available depend on the size of your group. For an intimate party with a maximum of 80 people, Seasalt Restaurant is the back-up venue for a blessing ceremony. The dinner reception will be at our main Lobby. Larger events will require a marquee. This will incur an additional charge and at least one month's advance confirmation is essential.

### WEDDING CAKE

Please contact our wedding specialist for personalizing your wedding cake in line with theme of your celebration.

### FLOWERS

Personalised decoration is available upon request. Wedding couples who engaged an outside vendor for the wedding celebrations must note that non genuine flowers are strictly not permitted for decoration purposes. All flowers used for the occasion must be fresh flowers. The design of decoration must be sent to the Alila event coordinator for approval and this is to ensure that the decoration is in line with the Alila brand.

### MARRIAGE CREDENTIAL RELIGIOUS APPOINTMENT

Indonesian Marriage Law states that a legal marriage in Indonesia must be performed according to the religion of both parties (the bride and groom) that is recognized by the Indonesian Law. Five religions that are recognized in Indonesia are: Hindu, Islam, Buddhist, Christian Protestant and Catholic. As of 2012, Catholic religious marriage is no longer allowed to be performed outside of church. Depending on the type of the religious marriage ceremony, there are different requirements to make marriage in Indonesia legally valid. We are able to assist a full legal wedding lead in a Buddhist/Christian Protestant/Moslem ceremony at IDR 15,400,000++

### RAIN STOPPER SERVICES

To ensure festivals and special events are not dampened by rain, the Balinese often perform a ritual to divert rain to other locations or to simply hold it back for several hours. This low-key ritual is performed by officiating small offerings and burning incense as well as a plate of fire (pengasepan), whose rising smoke is believed to push the clouds away. A religious ceremony performed by a Balinese Hindu priest to pray that rain is held or diverted during the event is available at IDR 4,500,000++/day (12 hours). Alila Manggis cannot be held responsible for the adverse weather conditions or the failure of the services provided by a Balinese rain stopper should you wish to use one.
