VONG KITCHEN

Vong Kitchen is a tantalising concept by celebrated Michelin-starred chef Jean-Georges and son Cédric. Together, they have curated a menu of seasonal and signature dishes starring the freshest local ingredients. Take a seat within the restaurant's sophisticated New York Grill-style interiors designed by Rockwell Group, where modern French-American flavours take shape in an open kitchen and a lively bar keeps the drinks and conversation flowing. Or dine out on the street side terrace and watch the world go by.

LE BURGER

The Manhattan vibe comes to Jakarta at Le Burger, a modern, casual burger bar concept by Jean-Georges and son Cédric, featuring crave-worthy gourmet burgers, lip-smacking sides and desserts, waded down with shakes, craft beers and cocktails. With its hip atmosphere, laid-back beer garden overlooking SCBD, and dine-in and grab-and-go options, this late night burger haunt hits the spot every time, whether at lunchtime, after work, or to fuel a night on the town.

EVENT GALLERY

Alila SCBD Jakarta's Event Gallery on the third floor is designed to elevate any event to the next level of sophistication, whether it be a product launch, art exhibition, fashion show or cocktail party. This unique U-shaped gallery is enclosed by floor-to-ceiling windows, filling the space with natural light and panoramic views of the cityscape by day, which transforms into a spectacular backdrop of city lights as the sun goes down.

Spanning 714 sqm in total, the gallery can accommodate up to 300 guests standing.
